SILVESTER PARTY AT CHÂLET GÜGGEL

Dear guests,

We would like to give you an overview of our program for the new year's eve 2018-2019

On the 31.12.2018, at 19.15 hours sharp the cable car will leave from the station in the valley (Talstation) towards the Jakobshorn.

The connecting cable car "Güggel Bahn" will bring you directly to the prepared Apéro surrounded by torch lights, in the middle of our magical mountain landscape.

Thereafter you will be guided to your reserved table, together with friends and family, where our Chef Mike and his crew will enlighten you with a delicious Sylvester Menu.

For the guests placed in our lower part of the cottage, we will be cashing in before midnight in order to prepare the venue for our special band. Right before midnight we invite everyone to join us on the Terrace to have a toast and celebrate the New Year. Afterwards we have prepared a spectacular firework, accompanied with classic music, for all of you.

As we usually experience freezing temperatures we recommend warm winter cloths. After having a toast and enjoying the fireworks, we invite you to our dancefloors at the lower bar inside and the upper terrace outside.

Our live band will excite all of you, covering the whole range of party music.

Between 00.45 hours and 02.30 there is regular cable car service which will return you back to Davos.

Please send us your reservation confirmation for this special evening which includes the exact number of participants.

We are looking forward to welcoming you at Châlet Güggel

With best regards,

Philippe Charles, Udo Blankart and your Châlet Güggel Crew
